

Coronavirus Care & Courtesy

At long last the restrictions placed upon us all by this virus have now been lifted but we as a business want to make sure that dining with us is as safe as we can possibly make it. Whilst infections rates are still high we respectfully ask for your help to keep each other as safe as possible by being kind and courteous to your fellow diners and our staff.

Whilst we have done everything possible to prevent the spread of the virus it is not possible to categorically state that there is no risk of further infection from patronising these premises and should any infection be contracted which may have come from here we cannot be held responsible we respectfully request that if you are not prepared to accept this risk you should not enter this establishment.

Booking your table –

Whenever possible please book on line at www.theoldoriginal.co.uk

Whilst we do everything we can to accommodate “walk-ins” we recommend that you book whenever possible to guarantee your table

As things are at the moment, we are continuing to only offer table service, so, to be served you must be sitting at your allocated table.

On Arrival & seating at your table

Whilst not required to by law we do ask that you continue to wear a mask when moving about the restaurant.

Please give way to fellow customers exiting the premises as you arrive (stand back and let them pass).

As children are not yet vaccinated, we would ask, that in respect of your fellow diners, you ensure that they are not allowed to roam around the premises.

Our staff will take your order for drinks and food and will continue to ensure that you are looked after for the duration of your stay. We will check quite often to see that your party is happy with our offering and also to take further orders for food and drinks, should you require anything during your stay just attract the attention of any of our staff and we will be only too happy to serve you.

Many of our staff have decided to continue to wear masks or face shields for your protection whilst this does disguise the smile that they usually offer every customer we can assure you that that smile is there – just hidden!

We hope that you enjoy your experience with us today and thank you most sincerely for your custom to help us keep our business going through these unprecedented times.

**Please come back and see us again & again!
And Again!**

Thank you – Tom, Janette, Richard & all the staff
