

Coronavirus - Care & Courtesy

At long last the restrictions placed upon us all by this virus have now been lifted but we as a business want to make sure that dining with us is as safe as we can possibly make it. Whilst infections rates are still high, we respectfully ask for your help to keep each other as safe as possible by being kind and courteous to your fellow diners and our staff.

Whilst we have done everything possible to prevent the spread of the virus it is not possible to categorically state that there is no risk of further infection from patronising these premises and should any infection be contracted, which may have come from here, we cannot be held responsible we respectfully request that if you are not prepared to accept this risk you should not enter this establishment.

Also, in courtesy to other guests, please do not visit us if you are feeling unwell or you have tested positive for Covid.

Booking your table –

Whenever possible please book on line at www.theooldoriginal.co.uk

Whilst we do everything we can to accommodate “walk-ins” we recommend that you book whenever possible to guarantee your table

We have now re-opened our bar so you can enjoy a pre-dinner drink but space is limited and we ask you to sit at your table as soon as possible where of course we will be delighted to serve you drinks from the bar.

As children are not yet vaccinated, we would ask, that in respect of your fellow diners, you ensure that they are not allowed to roam around the premises.

Our staff will take your order for drinks and food and will continue to ensure that you are looked after for the duration of your stay. We will check quite often to see that your party is happy with our offering and also to take further orders for food and drinks, should you require anything during your stay just attract the attention of any of our staff and we will be only too happy to serve you.

We hope that you enjoy your experience with us today and thank you most sincerely for your custom to help us keep our business going through these unprecedented times.

**Please come back and see us again & again!
and again!**

Thank you – Tom, Janette, Richard & all the staff
